

AMERICAN FEDERAL GILTWOOD CONVEX BULLSEYE MIRROR WITH EAGLE

\$9,800.00

ABOUT

Large scale convex mirror with eagle. Of grand nature in original as found gilding. Though is very difficult to determine in these mirrors are English or American, this particular mirror most definitely has American Federal sensibility. Note: The gilding on this mirror is original with some touchup and natural areas of patina. The overall color and condition is as seen. Quite nice to have a good, natural patina showing its 200 plus years of history (as opposed to a re-gilt mirror).

For a collector who appreciates authenticity and history.
