

PAIR OF EARLY 20TH CENTURY MAISON BAGUES BRONZE AND CRYSTAL SCONCES

\$8,900.00

About

Second pair of early 20th century Bagues sconces in Regence "Rock Crystal" Style. An actual early pair, not modern reproductions. Bagues being known for bronze work crafted these from bronze, wrought iron and handblown glass backed with silver tea paper to create a rock crystal effect. This is a pair however, we have another pair that were acquired from the same estate which are very similar in form and size and were used together en suite. Provenance: a Park Avenue Socialite.
